

MALEK EBADI

Industrial Engineer Ph.D.

Currently searching for a job

- Operations Research, Operations Management, Decision making under uncertainty
- My academic research primarily concerns healthcare decision making
- If you are interested in my background and skills, please feel free to contact me or visit my personal [website](#).

EDUCATION

- 2021 • **Sabanci University**
Ph.D. in Industrial Engineering Istanbul, Turkey
Thesis: Dyadic wavelet and its application in edge detection
- 2014 • **Bilkent University**
M.Sc. in Industrial Engineering Ankara, Turkey
Thesis: A multi-omics study for intra-individual divergence of the distributions between mRNA isoforms in mammals
- 2010 • **University of Tabriz**
B.Sc. in Civil Engineering Tabriz, Iran

PROFESSIONAL EXPERIENCE

- July 18 | Jan 21 • **Research Collaborator, Business Analyst, Part-time**
BEYLER GROUP (Hospital & Health Care). Ankara, Turkey
• Drafting Projects. • Holding seminars, presenting project proposals
- 2018 • **Intern**
BEYLER GROUP. Ankara, Turkey
• Analyzed data. • Conducted case studies to improve process efficiency.
• Wrote research and analysis reports.
- Sep. 14 | Feb. 15 • **Business Analyst, Part-time**
SILA GROUP (Hospital & Health Care). Ankara, Turkey
• Drafting Projects. • Holding seminars, presenting project proposals
- Feb. 14 | July 14 • **Intern**
SILA GROUP. Ankara, Turkey
• Analyzed data. • Conducted case studies to improve process efficiency.
• Wrote research and analysis reports.
